

## Pallet Converter for 4 x 205ltr drums – BCPALCON4

### Description

With a unique compressible front a BCPALCON4 allows you to turn a standard pallet into a bundled pallet.

Simply lower a standard pallet onto the Palcon using a forklift truck. This model is suitable for 4 x 205ltr drums. Please note the BCPALCON4 should be used with 1200mm x 1000mm wooden or plastic pallets.
