

Soft Covered IBC Bund for 1000ltr IBC – BCBB1C

Description

The cover of this IBC bund protects both the bund and IBC from the elements making it ideal for outdoor storage.

Complete with frame, roof and roll-up door this model is designed for 1 x 1000ltr IBC. The soft covered bund pallet is manufactured from polyethylene which provides total corrosion protection and broad chemical compatability. Base fork pockets are provided for easy loading onto a forklift truck. Most importantly this item meets legislation ensuring your compliance with UK, EC and Worldwide regulations.
