

Soft Covered IBC Bund with roller shutter door – BCBB1CR

Description

The cover of this covered IBC bund protects the bund and IBC from the elements making it ideal for outdoor storage.

Complete with frame, roof and lockable roller door (two keys supplied) this model is designed for use with 1 x 1000ltr IBC. The bund pallet is manufactured from polyethylene for total corrosion protection and broad chemical compatibility and base fork pockets are provided to enable easy loading onto a forklift truck. Most importantly this item meets legislation ensuring your compliance with UK, EC and Worldwide regulations.
